08:30 to 14:30.-Launceston College Summer
School

Wednesday 4th September- INSET DAY

Thursday 5th September- AUTUMN TERM BEGINS

NEXT WEEK

Next week in class 1 they will be:

- Producing a folding information leaflet that explains features of the school grounds
- Using money whilst solving addition/subtraction problems
- Understand how to use a key on a map.

In Class 2:

- They will be learning about the Royal Family
- Writing sentences that are informative using different types of punctuation
- Practise for SATS papers.

In class 3 they will be:

- launching our new topic, 'Amazing Amazon'
- begin by learning about Juliane Koepke, the sole survivor of an aeroplane crash in the rainforest, leading to autobiography writing and investigating the scale of the river Amazon.
- For maths, they will be estimating, comparing and calculating different measures, including money.

In class 4:

- In English, they will be exploring life during the Blitz through short stories focusing on direct speech and the portrayal of emotion.
- In Maths, they will be exploring ratio and proportion.
- Linked to their topic, they will be designing posters to support the war effort.

Just a reminder that Monday is a
bank holiday, we will see you all again
on Tuesday.

Attendance

School year to date 96.9%

This is a decrease of 0.1%

We would like to have a special mention to the children below who have had 100% attendance since September. This is a fantastic achievement and we would like to thank the families as well as the children for your continued support with this.

Cameron C	Amy	Sebastian
Toby	Arthur I	Jaydan
Matthew	Evie	Leonie
Olivia	Summer	Liam Lily

Days off school add up to lost learning

175 NON SCHOOL DAYS A YEAR

175 days to spend on family time, visits, holidays, shopping, household jobs and other appointments

0	6	15	19
DAYS ABSENCE (190 school days)	DAYS ABSENCE OR MORE	DAYS ABSENCE OR MORE	DAYS ABSENCE OR MORE

Cameron D Teddy

This week we started a new project on the field. The children have filled the first layer of a Bug and Bee Hotel creating a habitat for insects including solitary bees, ladybirds and beetles.

Each week a new layer will be added and finally garden club will plant some wildflower on the top which we are growing from seed.

Although Garden Club started the project we have a team of new helpers 'The Busy Bee Brigade' who will continue the layers and generally look after it.

This project is for anyone and everyone to be involved with, whether it be adding to the habitat or just collecting materials, if your child would like to join they are spare name cards available.

There will be a materials collecting station at the front of the school so if you can find sticks and twigs etc at home for the children to use that would be great please bring them in.

Congratulations Mia Olivey who is April's winner in the Photo Competition. Well done to everyone who entered with some lovely pictures.
