Next week in class 1 they will be:

- Researching animals for their non-fiction book
- They will be counting across 100 in steps of 2s 5s and 10s

In Class 2:

- Will be learning how to write instructions.
- They will be comparing celebrations, at different points in time.
- In Maths they will be using their Maths skills, to problem solve.
- In Science, they are going to be looking at animals, humans and their offspring.

In class 3 they will be:

- Researching the 'understorey' layer of the rainforest to find out which plants and animals thrive in this part of the rainforest.
- Choosing a plant or an animal which lives in the understorey to focus detailed research, on which to base a poem.
- For Maths, they will be concentrating on solving problems involving fractions and decimals.

In class 4:

- They will be investigating reasoning, and creating their own problems for their peers to solve.
- In English, they will be focussing on storytelling based in the cramped confines of an 'Anderson shelter'.
- They will continue to design their own shelters

We have a lot of school trips coming up so please can you ensure you have given consent and paid where appropriate.

Thank you to those who have told us they can help with 10 step on the 19th July, we still need some more volunteers. Could you let Miss Hicks know if you will be able to help with this event.

Football

The Year 4/5/6 Football game next Thursday has been cancelled- apologies for this.

Year 1/2/3 Football on Monday 17th June at Warbstow -3.45pm Kick off. All welcome.

If your child received an award at last year's celebration assembly please could they be returned by Friday 28th June, to allow us to get them engraved for this year's assembly.

We are pleased to announce that Warbstow has been awarded the Cornish Singing Schools Level 2 Award for 2019.

This week was National Potato Harvesting Week for the GYOP Potato Competition.

Of course it rained and everyone got muddy and wet but we have winners!!

Largest Weight of Rocket Potatoes - Class 2 (1532gms)

Largest Weight of Jazzy Potatoes - Class 3 (2723 gms)

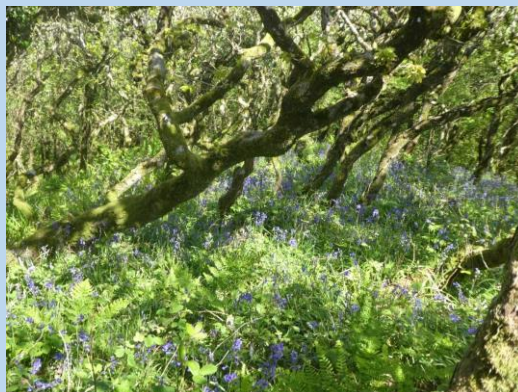

Largest Potato - Class 3 (125gms)

Most amount of potatoes - Class 4 (87)

Overall the school grew over 600 potatoes (plenty for lunch!)

Well done to Ben Nortrcott for his May entry for the calander, beautiful picture. Well done to all the other entries. It's a new month don't forget to send them into Miss Hicks.

Houses Day

Today the whole school were working in their houses. They had 4 tasks for the day. Task 1 to produce a leaflet for a tourist, Task 2 to invent a more effective light for a miner, Task 3 to design a tool to make life easier for the children working in the mines and task 4 to produce a written set of instructions for their tool. At the end of today a presentation was delivered by a rep from Year 6 to the whole school.

It has been a great day, the children have learnt all about their house mine, what mining is, what it would have been like, why we need them. They have worked with all year groups today and it has been great to see older children supporting the younger. Here are a few pictures from the day.
