Next week we shall be focusing on creating a short story based in Ancient Egypt, this will include a number of grammatical/punctuation-based features such as modal verb and direct speech. In maths we will continue looking at fractions and how to solve problems involving subtraction. Through our history sessions we will develop our grasp of Ancient Egyptian society. Our gymnastic work continues to focus on the combination of movement, balance and strength all applied in a variety of activities displaying control throughout.

Dear all

FROM THE
HEAD OF SCHOOL

It was with delight I received the photographs of the tree planting day last weekend. What a fantastic turn out of helpers and children. The weather was excellent, and the task was wrapped up

by lunchtime! House points to all children who participated!

Well done to all the children who sang and played instruments at our music assembly – a most enjoyable afternoon; from the 'Cat Song' to Samba in the rain to a rousing rendition of 'Trelawney'.

Finally, well done to our team of swimmers who took part in the Wadebridge Swimming Gala. A large event where children had the opportunity to compete with other school teams.

As always our children behaved very well and represented our school with pride.

Warbstow Gardening Day

This week garden club planted a tree in the science garden for National Tree Week. We have planted a crab apple so we can make lots of hands and jellies!

Bluebells also made 2 new mini gardens. 1 Jurassic World and an animal world. These will stay in class 3 garden for all to enjoy. (Pictures below).

Congratulations to Ollie Webb This month's winner of the photo competition. (Top right).

Week done to everyone that entered.

December is the last month to enter and we will be choosing the winner early so we can make the calendar.

There will be a Winter Shop at the end of term with lots of gifts the children have been making over the last 6 weeks. We will be asking for a donation towards new tools for the school.

Christingle making

There will not be a Christingle making event in school this year. However, Audrey will be hosting a Christingle making event in Camworthy Water Chapel hall on Sunday 22nd December.

She hopes to see as many children and their families as possible (tea and coffee provided) and a Service will then take place once the Christingles have been assembled.
