Head of School Message

We are looking forward to the last few weeks of term and all the festive activities planned. Next week we have Attenborough's Christmas performance, our Christmas Movie Treat and Christmas Disco planned by our wonderful PTA. The following week we have Paddington's Nativity, our Community Christmas Lunch followed by our Christmas Service at the Church. We hope to see as many of you there as possible to celebrate Christmas and the end of term together.

Warmest wishes,
Mrs Mould.

Save the Children Christmas Jumper Day

On Thursday 11th December we will be supporting Save the Children by wearing our Christmas jumpers.

You can donate via our [JustGiving Page](#)

ONLINE SAFETY NEWS

Autumn Term 2025

Our commitment

Aspire Academy Trust recognises that online safety is a far-reaching and complex topic that continues to generate significant media attention and public concern.

This regular newsletter will keep Aspire school communities up-to-date, and act as a signpost to further support. At a time when technology is increasingly noted for its downside, as well as the positive, we hope to provide reliable, helpful information.

The Aspire ONLINE SAFETY web page is regularly updated with guidance and helpful parent/carer resources.

Follow the RULE framework for the easiest and most effective ways to keep children safe when using online devices at home.

The next quick online safety webinar for Aspire parents & carers is at 7pm on 10th December 2025. Tap or scan the QR code above for details/booking.

Important updates

New guidance from OFCOM ◀

July saw the beginning of OFCOM's first statutory guidance for tech companies operating in the UK, enforcing legislation brought in with the Online Safety Act. We would like to remind all families that social media platforms

have 13+ usage agreements:

WhatsApp, Snapchat, Facebook, TikTok and others should not be

accessed by primary age children.

Artificial Intelligence concerns

With AI-enabled systems so easy to access, and the increasing rise of AI chatbots, warnings have been issued around children using these alone, without sufficient checks in place. AI misinformation is another huge concern. Please stay aware and cautious around your child's online access.

Delaying smartphone access

With secondary schools across Cornwall tightening up policies on smartphone use, many families are looking for alternatives as their children grow older. 'Basic phones' can be a practical choice, with long-lasting batteries and little potential for online safety worries.
