*Small and mighty is the Warbstow Way*

(Interim) Head of School – Mr J Pritchard

27<sup>th</sup> March 2026

Dear Warbstow Families

## **Commitment to Learning and Progress**

It has been so positive to see the continued commitment to learning across the school as we move forward together this term. At Warbstow, we remain 'Small and Mighty', and this collective effort is evident as our children continue to engage with their studies in a settled and purposeful atmosphere. We would like to say well done to all our children following the assessments that have taken place across the school recently. These sessions have provided an important opportunity for pupils to demonstrate their independence and resilience, approaching their tasks with curiosity and a focused mindset. Throughout this process, we can accurately analyse progress and prioritise the next steps in our curriculum. Assessing is essential to maintaining a thriving learning environment where every child is supported to reach their full potential.

## **More Cross Country Success!**

A fabulous well done and congratulations to our runners who qualified and competed in the Trust wide event at Wadebridge Show Ground this week. Competing amongst children from across our 37 schools—many of whom brought a high level of experience and speed—our children remained focused and undeterred on the long and intimidating course and achieved notable success and mostly importantly huge pride and great grit by participating so very, very well.

## Living the Warbstow Way

Well done to all our certificate winners this week! Yet again it was a pleasure to see what our pupils are achieving outside of school as well as in school.

## Annual Egg Rolling

Our annual egg rolling 'eggtravagansa' will take place next Thursday, 2<sup>nd</sup> April. Children will need to hard boil (this is 'eggtremely' important!!) and add some 'eggcellent' decoration to an egg at home, we then roll our eggs in a competition. The more creative decoration the better! House points will be awarded for 'eggceptional' decoration and 'eggspert' rolling. Please DO NOT bring your eggs into school until Thursday.

## After School Clubs for Summer 1

Look ahead to the Summer 1 term there are a mere 3 Mondays during the term. With this in mind there after school club will run on Fridays only for Summer 1.

Tilly from LJD Coaching will run a **cricket** afterschool club on Fridays, open to Reception – Year 6 with sign up via ParentPay.
