Small and mighty is the Warbstow Way

Head of School – Mrs L Measom

8th May 2026

Dear Warbstow Families

As the weather becomes warmer, please be reminded that children should bring a water bottle and named sun hat to school every day, along with a waterproof coat to suit our ever changeable weather. To keep children safe as the sun gets stronger, we kindly ask that **sun cream is applied at home before coming to school**. We are keen to make the most of our wonderful outdoor surroundings, and these simple preparations help ensure children can enjoy learning and play outside comfortably and safely. Thank you for your support.

Please take a moment to look at the **Key Dates** section of this newsletter, as we have added some important dates for the Summer Term. These include upcoming events and activities, so we encourage families to check the list carefully and make a note of any relevant dates.

Next week, our Year 6 pupils will be sitting their SATs tests. We are incredibly proud of all the hard work they have put in throughout the year and the resilience they continue to show. We wish them a restful and relaxing weekend ahead and know they will try their best next week!

Thank you all for your continued support and enjoy the weekend.

Living the Warbstow Way

Congratulations to all our certificate winners on the first week of the summer term. It was also wonderful to see some many pupils achieving awards outside of school.
