

The C.A.R.E Values at Warbstow

At Warbstow Primary Academy we C.A.R.E
about our world, our learning, each other,
our families, our community and ourselves.

Collaboration

Aspiration

Resilience

Empathy

Collaboration

At Warbstow Primary Academy, children appreciate the importance of learning together and sharing their knowledge. They understand that through learning and collaboration, they can open doors and create pathways. Their successes will drive forward their ambitions. They understand the importance of being part of a bigger community.

Aspiration

Our pupils know the importance of having the determination to keep going when things are difficult. We encourage pupils to be curious and inspired to learn about the world in which they live. By asking questions, exploring perceptions, challenging points of view and harnessing their inquisitive nature, they increase their understanding of the world and consider their contributions towards it.

Resilience

The children at Warbstow show resilience when facing new challenges and set backs.

We support them to develop a growth mindset, providing opportunities to learn from mistakes and celebrate progress. We encourage our pupils so that they feel capable to overcome difficulties, which builds their confidence and develops their inner strength.

Empathy

We encourage our pupils to celebrate the differences between all people, cultures and faiths. We place a high importance on our relationships and use an enquiry approach to develop abilities to respectfully disagree. By learning about the world in which we live and the people in it, we have a better understanding and mutual respect for all.

In Puffin Class we C.A.R.E

Collaboration

Working together as a team and sharing ideas to make something together

Aspiration

Having a 'big dream' and being brave enough to try new things to reach it.

Resilience

Keeping a 'never give up' attitude even when something is tricky or goes wrong.

Empathy

Being a 'feeling detective' - noticing how others feel and being kind to them.

In Kingfisher Class we

C.A.R.E

Collaboration

Contributing our individual strengths to a group to solve problems more effectively.

Aspiration

Setting goals for the future and understanding the steps needed to achieve them.

Resilience

Choosing to stay positive and find new solutions when faced with a challenge or mistake.

Empathy

Understand that people have different perspectives and treating everyone with respect.
