NEWSLETTER 28 - Friday 6th May 2022

Dear Parents and Carers

Welcome to our weekly newsletter. It has been a delight as always to see all of our children so busy and engrossed in their learning. I have seen some wonderful poetry from Class 3. Class 2 have been busy making electrical circuits with lemons! Class 1 have been busy starting to prepare for the Platinum Jubilee celebrations and Nursery have been very busy in our garden areas. And that's just a small flavour of the learning that has taken place this week. Thank you for all of the support you are providing your children with at home, reading for pleasure is such an important part of learning and so any reading that your child can enjoy at home is incredibly beneficial.

I hope you all have an enjoyable weekend and we look forward to seeing you on Monday.

Help wanted

We are looking for some parental help with our Bee Garden project. Sadly due to injury Katie is unable to complete the rest of the hard landscaping including creating a patio, filling raised beds and moving materials. The children are growing lots of plants and seeds so it will be good to get the garden finished. If you are able to assist we are planning to meet on **Saturday 21st May at 2pm** on the field. All materials are on site but wheelbarrows, spades and working tools will be required. Thank you

KS2 SATs week—beginning 9th May

Our children are well prepared for their SATs and have worked very hard to be ready for this week. Please can we ask that your child gets a good sleep and eats a good breakfast each day! To reassure you, the week will be stress free and your children well supported.

Xmas4schools Jubilee Art

I would like Mrs Shute to enjoy her Sunday without being concerned for school lunches. Please order by Sunday evening at the latest, thank you for your understanding and support.

Sun hats and sun cream

As we come into the warmer months we will be making the most of our wonderful outdoor facilities.
