Head of School: Mr S Ellis

21st October 2020

New drop off and pick up arrangements **for after half term**

Dear Parents/carers,

In an effort to reduce the standing and congestion outside the school and eliminate the need for parents to loop I am changing the drop off and pick up arrangements.

Children will continue to be dropped off at the existing points, but the timings will change and any waiting will take place within the school grounds to ensure children/parents are not on the road side.

Pre school will revert back to original timings 8.50am drop off and 3.30pm collection.

All other drop offs to take place between 8.45-9.00am.

Class 1 & 2 pupils to be accompanied by parents around the same route as before. If there is a build up of parents and children, please ensure you keep 2 metres apart at all times using the staggered markings on the playground floor.

Class 3 as previous through the class 3 door, at 8.45am- this can be done before parents/ drop off siblings to class 1 and/or 2.

All pick ups will now be at 3.20-3.30pm.

Class 1 & 2 pupils to be collected outside classrooms 1 and 2 as per normal- loop around and exit.

In addition to this change, we will place cones along the road edge towards the hall car park. This will be in order to allow parents/carers to travel more safely to and from the car park. This decision has been made in consultation with Cornwall County Council who encouraged us to do so and have supplied us with robust traffic cones.

Thank you for your support in this matter, please do not hesitate to contact the school with any questions or further ideas to improve the safety of you children.

Best regards

Stuart Ellis
