

Warbstow Primary Academy and Nursery

"Working, Learning and Achieving Together"

NEWSLETTER 23 - Friday 11th March

Welcome to your weekly newsletter, there is lots of important information to read about this week. Once again it has been a great week at Warbstow packed full of learning. A particular highlight was Class 3's expedition Shackleton style to the highest point in Cornwall. We enjoyed a super outdoor learning day, trekking, using map skills, sketching and enjoying a picnic lunch. Nursery have also been trekking, they enjoyed a visit to The Bury.

Thank you for supporting Aspire's 'wear blue and yellow for Ukraine' day today, this is a way for us to show solidarity and support to the people of Ukraine. The trust wanted to support UNICEF's appeal to provide 'blue dot' safe spaces. UNICEF are activating 'Blue Dot' safe spaces to provide crucial support and protection services to families on the move during the refugee crisis of Ukraine. These spaces are set up in close coordination with national and local authorities along routes of major population flows. The spaces connect to one another in a sequenced way as people move to help support tracing and family reunification. The Aspire community has raised over £6000 already, thank you for your support and generosity. I would also like to signpost you to this link for support for our families should they need it.
