Warbstow Wonders:

To share our children's achievements we are going to publish the names of pupils receiving special certificates.

This week congratulations go to:

Working Hard

Eli
 Cameron

Kind & Helpful

Scarlett
 Annabel
 Beau-Jac

In Class 1:

- Exploring who the mystery character is in our topic who am I?
- In Maths, they will be looking at place value
- And as always reading and phonics work.

In Class 2:

- They have started their new topic on The Town Mouse and The Country Mouse, This week the children have learnt the story. Next week they will start to write their own versions of the story.
- In Maths, they are learning to use multiplication to solve problems.
- In the afternoons they are looking at maps of the UK and comparing how and where different people live.

In Class 3:

- Visiting Dartmoor Zoo on Monday. Please wear weather appropriate clothing (boots in a bag) and bring your packed lunch.
- Animal classification
- Writing a newspaper report (recount).
- Roman numerals

In Class 4:

- Next week they will be continuing to delve into the technological world of ICT. They shall be creating informational texts about the inner components of their computers.
- In Maths, they will be focusing on division. They will be investigating the history of the computer, and the arrival of the internet and the World Wide Web.
- In PE they will be developing the required skills and movements for their dance piece, the focus will be on timing and accuracy of movement.

Attendance 97.6%

Please can any absence requests be completed on the new holiday forms prior to any planned absence. These are available on the website or at reception.

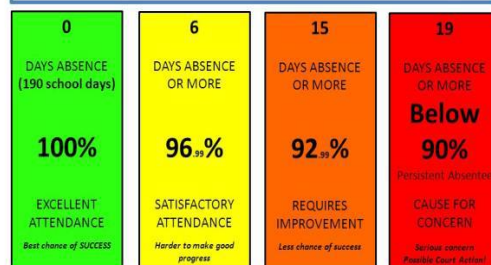

If you owe any money for the Garden club shop from before Xmas, please bring the money to the office. Many thanks

Days off school add up to lost learning

175 NON SCHOOL DAYS A YEAR

175 days to spend on family time, visits, holidays, shopping, household jobs and other appointments

FROM THE HEAD OF SCHOOL

Dear Parents/carers.

What a wonderful Pantomime trip, not only did the children enjoy themselves but so did Mrs Provis and Mr Reggie Gough! Ask the children! I must report that in excess of 10 members of the public commented on the children's outstanding behaviour during the whole of their visit. Well done to our children, a testament to the parents and the school. Also thanks to Michelle Catling, Katie Webb, Sharon Northcott and Reggie Gough along with all the staff for their support with this trip.

A reminder that there is a parent consultation meeting next week where we will be discussing the school priorities, our progress and the introduction of SCARF a teaching resource in school.

Have a lovely weekend and see you all next week

Mr S Ellis

Monday	SATS Booster Regular SATS booster will commence after half term	Mr Turnham	Y6	Allocated pupils (letter for participating pupils have been sent home today)
Tuesday	Football	Mr Griffith	Y3-6	20 spaces

Census Day Thursday 16th January

Next week there will be a change on the menu.

For those that aren't aware census day in January is a really important day, when our next years funding is calculated. Universal Free school meals and Pupil Premium free school meals attract additional funding for us as a school.

We would like every child in Reception-Year 2 to have a school dinner on Thursday, even if they bring in a packed lunch. This really helps with our school finances and costs.

Thank you for your support
