Head of School Message

It's been another lovely week in school. We marked VE day as a whole school with a 2-minute silence in the playground. The children showed great respect and made us very proud.

We held a fire alarm practice in school today and I was really impressed with how the children evacuated the school in such a calm and sensible manner.

Next week our Y6 pupils will be undertaking their SATs in school each morning.

We wish them the very best for these tests – good luck Y6's!

Have a wonderful weekend.

Best wishes,
Mrs Mould

School Lunches & Census Day Menu

When ordering school lunches please can this be done alongside your child. There have been several instances this week when children have said they don't like what has been ordered for them. Sam is unable to provide an alternative. Thank you. There is a special menu for Census Day on Thursday 15th May, see menu below.
